## National Cub Scout Program Website

Landing page for all things Cub Scouts including where to find a pack, welcoming new families including a video with the top 5 questions new families ask, and leader resources.

Every Friday at 2 pm Central, *Scouting* Magazine hosts a live show on Facebook featuring a wide variety of topics and guests. Past shows include how to use Scoutbook, creating effective communication channels, running a Pinewood Derby, tools to get everyone volunteering, and recruiting methods. Shows are 30 minutes and automatically posted to the Cub Chat Live Facebook Playlist after the show. A list of past shows by topic can be found at On Scouting.

# Virtual Roundtable

Timely Cub Scouting information in brief 7 to 15 minute segments. Topics are not specific to a month and can be used as appropriate. New videos are updated every 3 to 4 months.

#### Den Leader Experience Sandbox

The Den Leader Experience (DLE) is Scoutbook for den leaders. DLE was initially developed to help brand new den leaders but can be beneficial for anyone. DLE helps to deliver the program by aiding with planning, providing videos on how to accomplish some activities and assisting with advancement tracking.

To see how DLE works, check out the sandbox! The sandbox is where testing of future updates happens and also allows for those who are not den leaders to learn about the app.

## Training for Cub Scout Leaders

Cub Scout leader training is available online at any time of the day or night to make needed information easily accessible. Modules are in "bite sized pieces" of 5 to 7 minutes and can be viewed from any smart device or computer. Den leader curriculum is divided into 3 parts: before the first den meeting, first 30 days and 90 days.

For more information about training at all levels of the program, visit the Training webpage.
